Bank Robber Caught.

[From the Winchester Star of Friday.] A special to the Star this afternoon from Strasburg, Va., says that the first of the bank robbers who looted Massanutter Bank of \$5,000 several weeks ago, after blowing up the safe and vault with dynamite, has been captured. The capture

The detectives obtained photographs rogues' gallery, and it was through these that the arrest in New York was made. The photographs were shown to a num ber of Strasburg citizens and they immediately recognized in them the gang who had been seen loafing around Stras burg at the time of the robbery. One of the photographs was identified

as that of an umbrella mender who had been around Strasburg. This man is the one arrested in New York.
